

FLEXIBLE MANUFACTURING GROUP

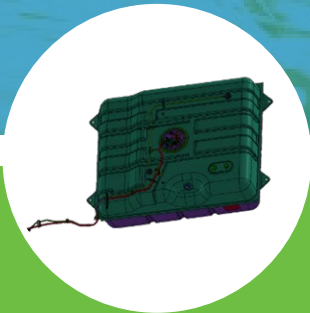

At Martinrea, we're proud to provide just-in-time manufacturing and vertical integration expertise. Renowned for our automotive supplier success, we've also set our sights on complex assemblies in industrial, agricultural and commercial trucks.

Our approach is built-to-order, high-value, and design-capable, allowing us to bring your vision to life with precision and innovation. Let Martinrea Flexible Manufacturing turn your designs into reality - with the agility, expertise and quality you can trust.

VALUE ADDED ASSEMBLY MODULES

Martinrea provides modular assemblies such as front and rear suspension systems, horizontal and vertical corner assemblies and engine dress builds.

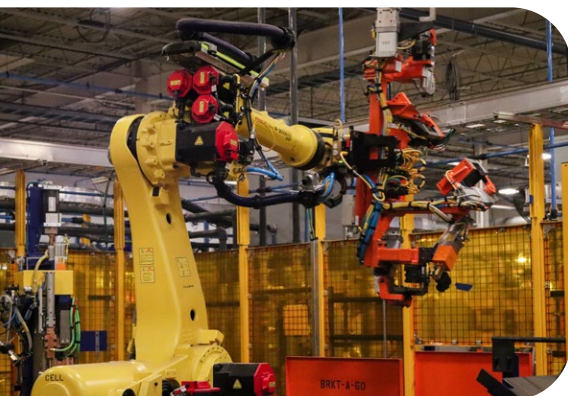

COMPLEX METAL FABRICATIONS

Martinrea designs and manufactures customized structural parts and fabrications, such as HVAC unit enclosures to complex weldments. Our expertise also extends to metallic tanks and reservoirs, which includes all testing, supported by our highly skilled core team.

EXTERIOR TRIM SOLUTIONS

Martinrea delivers innovative plastic and metal exterior trim and structural solutions that enhance vehicle appearance, functionality and performance. We offer high-quality components such as roof ditch moldings, bright trims, appliques and structural reinforcements.

CORE PROCESSES

- Tube Laser Cutting
- CNC Bending
- CNC Tube Bending
- Plate Roller
- Roll Forming
- Stamping: Progressive/Hand Transfer
- Fiber Optics, Laser and Plasma Cutting
- Plastic Injection Molding

- Robotic Welding
- Manual MIG/TIG Welding
- Spot and Projection Weld
- High Precision Machining
- Special Assembly and Kitting
- Shot Blast
- Powder Coat and Wet Paint
- Press Brake Machines

OUR LOCATIONS

Riverside, Missouri
 MIC, Vaughan, Ontario
 Rollstar, Mississauga, Ontario
 FMG Modules Ramos, Arizpe, Coahuila
