

LEARN MORE ABOUT OUR COMPLEX METAL FABRICATIONS

LOCATION

MATERIAL

- Mild Steel
- Aluminum
- Stainless Steel

CAPABILITIES

Assembly Technology

- Design & Development
- Contract Manufacturing
- Fabrications
- Complex Assemblies
- Structural Weldments
- Tube Laser
- MIG & Projection Welding
- Stamping
- Machining & Powder Coat
- VAA Chassis modules JIT sequenced assembly & delivery

Quality And Inspection

- CMM Inspection
- Mobile 3D Scanning Inspection
- Hydrostatic & Pressure Decay Leak Testing
- Non-Destructive & Destructive Weld Inspection
- CWB Certified Weld Inspectors
- CWB, AWS & ASME Certified Welders
