

LEARN MORE ABOUT OUR ROLLSTAR EXTERIOR TRIM SOLUTIONS

LOCATION

EQUIPMENT

- **10** Injection Molding Machine (60-1600 Ton)
- **46** Stamping Presses (60-400 Ton)
- **7** Co-Extrusion Lines
- **10** Roll Forming Line
- **14** Robots Arms

PRODUCT PORTFOLIO

- Exterior Decorative Moldings
- Coextruded Roof & Window Seals
- Outer Belt, Reveal, Roof Ditch and D-Line Moldings
- Appliqués

CAPABILITIES

Light Metal / Composite Forming

- Aluminum Roll Forming
- Plastic/Rubber Co-Extrusion
- Thermoplastic Injection Molding

Metal Forming

- Class A Stamping
- Roll Forming

Manufacturing & Assembly

- Adhesive and Bonding Applications
- Complex Mechanical Assembly
- Cellular Robotic Manufacturing
- Conventional Fabrication
- Injection Molding
- Prototyping
- CMM Inspection
- Tool Development & Maintenance
